CultureGrams™

A trusted perspective in our changing world

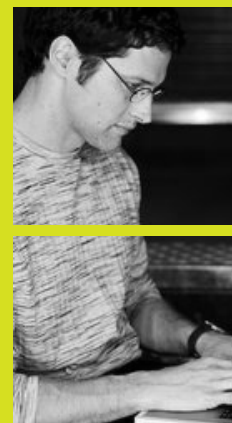

History, Customs, and Cultures of the World's People

With world events increasingly affecting our lives, it is more important than ever for students to understand the world around them. CultureGrams connects students by delivering concise, reliable, and up-to-date country reports that go beyond mere facts and figures. Each report, written and reviewed by in-country experts, offers an insider's perspective on daily life and culture, including the background, customs, and lifestyles of the world's people.

Individual reports cover 180 plus countries, updated every year, so you can be sure you are offering only the very best information.

- **CultureGrams Online** links you to all CultureGrams editions, including World, Kids, and U.S. States material, in an engaging interface that can be accessed anywhere, anytime. Includes unlimited printing rights, along with exclusive online features: worldwide photo gallery, famous people collection, and a unique recipe collection that offers five home-grown recipes from all countries in the database. Plus, sortable (create-your-own) data tables help put dozens of facts into perspective.
- **World Edition** contains reports on 180 plus countries and cultures, focusing on 25 categories including history, personal appearance, gestures, family, economy, and more. The updated 2006 edition includes new reports for Angola, Ivory Coast, Libya, Myanmar, and Suriname.

(The World Edition is available as part of the CultureGrams Online, or in standalone printed sets.)
